

MINUTES OF ARBELA TOWNSHIP ROAD HEARING

FEBRUARY 15, 2011

The meeting was called to order by Supervisor Joe White at 7:00 p.m. The purpose of the hearing was to consider what roads in the township are most in need of repair.

ROLL CALL: Present – Mary Warren, Jody Hunt, William Jacobi, Kenneth Panek,
Joseph White, Deputy Oliver and 13 residents.

Absent - None

Lewis Road from Barnes to Millington Road is 70% complete. It needs another 10-12 inches of gravel.

It costs \$63,000 a mile to asphalt a road with asphalt already on it.

The road commission is going to resurface Bray Road from Willard to Barnes Road this year.

There are several roads we need to consider this year. Joe had a list of roads from the road commission and their rating on a scale of 1 to 10 with 10 being the best.

There was a request from a resident on Murphy Lk. Rd. to asphalt Murphy Lk. Rd. from Buell to Barkley Rd. Joe asked him if he would circulate a petition to the residents on that road. The last time a petition was circulated the residents did not want their trees cut so we couldn't go forward with it. He also asked about stone crete on Murphy Lk. Rd.

Another resident at 7658 Barkley Road between his house and Lloyd Taylors there is a large dip in the road. He would like some gravel put there.

Jody Hunt said on Arbela just east of Bray Road the shoulders need to be removed as the water can't drain and is sitting on the asphalt.

William Jacobi said the cat tails were really bad on the corner of Lewis & Arbela Road.

MOTION: By William Jacobi to adjourn at 7:25 p.m.

SECONDED: By Kenneth Panek, all ayes, motion carried.

Mary C. Warren, Township Clerk
